## Work Experience

---

2018 - 2019

### Co-Owner of a Gaming Center

In 2018 I was a Co-Owner of a Gaming Center that lasted for a year. We started the business with 25 gaming pc's and had a really good start , but because of the pandemic situation everything went upside down , and in 2019 we closed the business.

2019 - Ongoing

### Creator of a Youtube Channel

In 2019 , in pandemic time when we all were isolated for around 3 months , everyone spent alot of time on social media and other internet platforms. So I had an idea of creating a Gaming Youtube Channel , which actually turned out to be a great idea. My channel is still growing and I am really happy that during isolation I did something successful

### Programming

I don't have any work experience in programming yet. But I Have a lot of local projects and online courses that I have completed.
